## UNITED STATES SENATOR.

The following is a private despatch received last night from Madison. It contains two more ballots than the regular night report received here, and the additional information of the adjournment of the caucus to night.

**Informal.**—Washington 33, Randall 25, Howe 26, balance scattering.  
1st Formal ballot.—Washington 35, Randall 26, Howe 26, scattering 1.  
2d ballot.—Washington 34, Randall 24, Howe 29, scattering 1.  
3d ballot.—Washington 34, Randall 25, Howe 28, scattering 1. 4th, same as 3d. Adjourned till to-morrow evening.

We have telegraphed to day for private reports of the progress of the caucus to-night, and will communicate our despatches to such friends as choose to call at our office.

## Condition of South Carolina.

The news from South Carolina represent the condition of that state as truly deplorable. The poor are represented as suffering for the want of food while the rich are plundered by the banditti who control the state. Mr. Aiken, the wealthiest man in state, owning it is said, 1,000 negroes, has been compelled to pay the revolutionary government \$40,000 on penalty of having all his property confiscated. Others will receive similar calls, until the originators of the present disorders are put down by their victims. This result will surely come, not only in South Carolina, but in all the seceding states—all that is wanted is time, and that not very long.

## Calling upon Republicans to Save the Country.

The Cook county, Ill., democracy held a meeting the other day, to take into consideration the condition of the country. In their resolutions they attribute all the troubles of the day to the republicans; and call upon them to yield such just grounds of compromise to the south as will save the country. The Illinois democracy are not different from their brethren throughout the land. We hear of them talking this kind of stuff every where. They ignore the fact that this is a democratic administration, and that the one which preceded it was the same—that the republicans never, as yet, have had control of a single branch of the government—yet, the deplorable condition of the country at this time, financially and politically, has been caused by the party which has never had power! There is sense for you—there is fairness, honesty and truth! If the nation is on the brink of ruin, let the democracy appeal to their own president to save it from the effects of their own policy, continued against the remonstrances of the republicans, for six years past. They, however, do nothing of the sort, but hypocritically ask us to undo their misdoings, when our hands are tied.

They entreat us to compromise with the south, when they are the men who struck down a compromise which had forty years sanction, and which would never have been touched if the hand of their own leader had not been laid upon it. They pulled down the barrier and let loose agitation and civil war upon a free territory, which is now spreading over the whole land; and with a canting, sniffling, maudlin dissimulation, they implore the republicans to stay the ruin which democracy has inaugurated. Let them look upon the civil war and treason which now rear their heads, and ask themselves if they had been men and true patriots; during all the years that they have administered the government, would this have taken place? If they had not repealed the Missouri compromise—if they had not pardoned to slave-holding arrogance for the sake of power—if they had not misrepresented republican principles and ideas to the southern people—would the country have been in its present condition? Let them answer these questions satisfactorily to their own consciences, if they can.

They ask us to yield to the south. What? Must we apologise for electing Abraham Lincoln? Must we say to them—Spread out your slaveholding institution over the whole country? Shall we tell the secessionists—"It is well—you have a right to violate the laws of the nation with impunity and to resist the national will? When you catch a republican in your borders, hang him, burn him, drown him, the very least you ought to do with him is to exile him from your states with marks of your indignation and scorn." Yes, unless we submit to all this and ten fold more, proposing at the same time base and unmanly compromises, these democrats of Cook county, who have stirred up this trouble, tell us that we will be responsible for the ruin which is impending over the country.

If the democracy know any way of saving the country from the effects of their own policy, let them propose their measure and pass it through the senate, which is on their side; if their president, or their leaders have any plan by which it can be done, let them bring it forward, and not stand back, calling upon republicans to put out a fire which democrats have kindled, lest they be held responsible for the evils which surround us.

**THE STATE UNIVERSITY.**—The Governor has appointed Messrs. Frank, of Kenosha, and Worthington, of Waukesha, members of the Board of Regents of the University. The resignation of Chancellor Barnard, tendered some time since, has been accepted, and the name of Prof. Fowler, of the University of Michigan, at Ann Arbor, has been mentioned as his successor.

The refusal of Northern Alabama to sign the ordinance of secession is significant of trouble in the camp of the rebels. The vote stood in the state for secession, 5,776; for co-operation 26,280; for non-secession, 9,490.

## WISCONSIN LEGISLATURE.

CONDENSED FROM THE MADISON PAPERS.

MADISON, Jan. 17.

Sen. Foot, from committee on agriculture, reported bill requiring owners of certain machines to guard against accident, with an amendment. Sen. Crane, from committee on legislative expenditure, on resolution of Sen. Sweat furnishing senators and officers of senate with postage stamps to the amount of \$3, recommending its passage. Also, on resolution to furnish messengers, door keepers and firemen with stationery not to exceed in amount \$5, with an amendment including the assistant postmaster and assistant sergeant at arms. Both resolutions were then taken up and adopted as reported by the committee.

The bill to amend chapter 18, revised statutes, entitled of assessment and collection of taxes was passed. This last bill provides that the 5 per cent. collector's fees shall be credited to towns.

Sen. Hutchinson's bill for protection of farm mortgages, being the special order for half past 10 o'clock, was taken up.

Sen. Hutchinson presented the senate was prepared to dispose of the bill now, and moved for a suspension of rules for the purpose of putting it on its passage.

Sen. Quentin made a speech against the bill, and Sen. Hutchinson a very able argument in favor of the rights of farm mortgagors.

The rules were then suspended by the following vote:

Ayes—Bartlett, Bean, A. I. Bennett, Geo. Bennett, Carey, Cox, Cunningham, Ferguson, Foot, Gill, Hutchinson, Joiner, Kelsey, Kingston, Maxon, Montgomery, Stewart, Sweet, Uley, Virgin, Worthington—21.  
Noes—Browne, Cole, Decker, Egan, Phillips, Quentin, Sweet—7.

Senators Phillips, Browne and Sweet spoke against the bill, and Senator Bean in its favor.

The bill was then passed by the following vote:

Ayes—Bartlett, Bean, A. I. Bennett, Geo. Bennett, Cox, Ferguson, Foot, Gill, Hutchinson, Joiner, Kelsey, Kingston, Maxon, Montgomery, Stewart, Sweet, Uley, Virgin—19.  
Noes—Browne, Carey, Cole, Crane, Cunningham, Decker, Egan, Phillips, Quentin, Sweet, Worthington—11.

The assembly having appointed the following committee on the re-appointment of state into congressional, senatorial and assembly districts, viz: Krebs of Dodge, Palmer of Eau Claire, Lain of Waukesha, Clark of Grant, Pullen of Lafayette and Reed of Winnebago; and the message stating the action of the assembly being received by the senate, a motion was made to refer it to the committee on federal relations, which was lost. On motion of Sen. A. I. Bennett it was laid on the table.

In the ASSEMBLY, Mr. Frisbee presented a petition of farm mortgagors of Washington county praying for legislation in their behalf.

Mr. Graves presented a petition from Lars Torgeson and Ole Knudson, of Fountain City, Buffalo county, which excited considerable merriment. It was a bit at the practice of keeping the senate and assembly chambers open on Sunday for the accommodation of members.

Mr. Graves asked that it be referred to the committee on education.

Mr. Chapman moved that it be referred to the committee on charitable and religious institutions.

Mr. Warner thought it ought to go to the judiciary committee.

It was then laid on the table.

Mr. Graham gave notice of a bill to amend the banking law so as to provide for central redemption.

Mr. Thomas' resolution instructing Hon. John F. Potter to return to his duties at Washington, was taken up.

Mr. Bradford moved to refer it to the committee on federal relations.

Mr. Messmore moved to lay it on the table, which prevailed—ayes 52, noes 40.

Bills were introduced by—Mr. Cobb, to amend chapter 134 of R. S. in regard to executions. Also, to amend chapter 120 of R. S. in regard to justices of the peace.

By Mr. Clark, to make the books, records and papers of railway companies public records, in certain cases. Also, to permit defendants in the U. S. district court to bring cross actions in the state courts.

By Mr. Spooner, to allow defendants to testify in their own behalf in certain criminal actions.

**SINGULAR SUICIDE OF AN EMINENT CLERGYMAN.**—There was a singular suicide at the Spencer House, somewhere between the middle of Sunday afternoon and midnight. The one who died was Rev. Robert C. Rice, one of the most eminent ministers of the Christian or Reformed Baptist Church, arrived at the Spencer House, en route from Philadelphia to his home at Eminence, Ky. He immediately went to his room and is not known ever to have left it. During the forenoon of Sunday, the chambermaid desired to arrange his apartment, but he declined to have her do so, alleging that he was unwell. A similar application, in the afternoon, met with the same excuse. About midnight the clerk's attention was called to the matter by the statement of the boot-black that the boots had remained outside of the door all day. Upon entering the room, (the door was unlocked) Mr. Rice was found upon the bed, dead. He had shot himself in the head with a small pistol which was still grasped in his hand. About half past five o'clock in the evening, one of the chambermaids had heard a report, as of a pistol or fire cracker, in that portion of the hotel, but as it was not very loud, she did not pay particular attention to it.

On the table lay an open Bible, and a sealed note was addressed to Mayor Bishop, of which the following is a copy:

Please have my poor body put in a general case and sent without molestation, to Eminence, Ky., where I hope it will be laid beside my dear Eliza. My Christian character is impeached, and by misfortune the means of vindication are cut off. I have been a true man, have lived for the good of mankind and the glory of God. I never injured a human being intentionally. I have preached faithfully the true Gospel of Christ, and to the Cross of Christ I have ever clung, as the ground of my hopes. Take charge of my money, trunk and clothes here, to pay all charges. But all is lost—my mind frantic—my heart crushed.

ing. No other cause is assigned for the act by his friends than a settled melancholy, induced by the separation of his second wife from him. It is but recently that he married last time, and his wife parted from him a few days after his nuptials. Coroner Emmert held an inquest over the body, and the jury returned a verdict in accordance with the facts. In compliance with his request, the Mayor sent the body to Eminence yesterday, under charge of his nephew.—*Cin. Commercial.*

## Senatorial Caucus.

The republican senatorial caucus, at Madison, adjourned last night to meet this morning, speaking of the caucus, says:

The preliminary skirmish among the republicans for senator took place last evening. Republican caucus met in the basement of the capitol. Eighty-eight out of the ninety-two republican senators and assemblymen were present. Senator Gill did not go into the caucus, but will support the committee. The absentees are understood to be Randall, Mr. C. Graham of Janesville presided. Five ballots were had as follows:

	1st	2d	3d	4th	5th
C. C. Washburne,	23	33	35	34	34

**CAPT. MCGOWAN.**—The *York Times* severely criticizes the conduct of Capt. McGowan in the affair of the *Star of the West*. That journal says that his orders were, if fired upon, to hoist the flag of the United States and also a *Revenue* flag, which latter would have informed Major Anderson that the vessel was under government orders, and claimed the protection of Fort Snelling. He also had to hoist the flag, if necessary, as near to the fort as possible, launch the boats, allow the soldiers to show themselves and make a bold push for the fort, under such protection as the guns of Major Anderson were able to extend. The Times insists that had Capt. McGowan not lost his presence of mind at the critical moment, and thereby forget his orders, Major Anderson would now have under his command two hundred additional men and all the supplies needed for standing a protracted siege.

**GOSSIP ABOUT THE SENATORSHIP.**—The democratic members of the legislature are talking up the subject of who shall receive their votes as a compliment for United States Senator. Judge Larabee, Col. Fairchild, Judge Dunn, Gov. Dewey, Harrison C. Hobart, Jonathan E. Arnold, and Mat. H. Carpenter are names most frequently suggested. It will probably be Mr. Hobart. The republicans caucus again to-night. The lobby will have a busy time to-day. Several new candidates are talked of, among whom are Judge Dixon, Mr. Harvey, Mr. Billingshurst; and some are talking of a compromise by way of re-electing Durkee. The democrats were talking last evening of voting for S. Park Coon.

The richest farmer of the whole affair is that "Pump" Carpenter has been so solicited a few of the democrats to try—and have the democratic vote cast for him!—The *Register* writes that Mr. Carpenter and Mr. Huntington will also be up for the honor.—*Madison Argus.*

**ARTEMUS WARD ON HIS TRAVELS.**—From Detroit to Westward hoe. On the cars was a black female, with a green cotton umbrella in one hand and a bundle of reform tracts in the other. She said every woman should have a Spear. Then she didn't demand their Spears, didn't know what was good for them. "What is my Spear?" she asked, addressing the people in the cars. "Is it to stay at home & darn stockings & be the serf slave of a domineering man? Or is it my Spear to vote & speak & show myself the equal of man? Is there a sister in these cars that has her proper Spear?" Say, which this eccentric female whirled her umbrella round several times, and finally jabbed me in the waist with it.

"I have no objections to your going into the spear business," sez I, "but you'll please remember I ain't a picker. Don't Spear me again, if you please." She set down.—*Vanity Fair.*

**WISCONSIN LEGISLATURE.**—The usual statistics of the members of the assembly have been distributed to-day. Of the members of assembly 35 are natives of New York, 9 of Massachusetts, 3 of Vermont, 6 of Ohio, 5 of New Hampshire, Pennsylvania and Ireland, 3 each of Connecticut, Prussia and Canada, 2 each of Illinois, England, Saxony and Germany, 1 each of Maine, Wisconsin, France, Hesse, Oldenburg and Scotland.

The native of Wisconsin is Frederick S. Ellis, of Brown county, aged 30, son of Gen. Albert G. Ellis, and much resembles the general as he looked when 10 years ago he presided in the house of representatives of our territorial legislature. He is a good specimen—a worthy son of a noble sire.

The birthplace of one member is not recorded. The farmers furnish 50; lawyers, 14; merchants, 5; physicians, 3; manufacturers, surveyors, agents, printers and lumbermen, each 2; and 1 each, contractor, editor, clerk, farmer and merchant; banker, mechanic, nurseryman, tanner and currier, road agent, dealer, real estate operator, produce dealer, seaman, miller, hotel keeper and builder.

The oldest members are Selim Newton, of Fond du Lac, and Capt. Gilbert Knapp, of Racine, each 63. Who, of the old soldiers, does not know Capt. Knapp? He looks as young, and is apparently as vigorous as twenty years ago. "May his shadow never be less!"

The youngest member is Thomas C. L. Mackay, of La Fayette, aged 24. He was a member of the last assembly, and the youngest member of that body. His constituents showed good sense in sending him back.—*Wisconsin.*

**MARRYING IN FUN.**—An Erie paper tells how at an evening party in that vicinity recently, as a matter of fun, a proposition to marry was entertained by two parties who had then for the first time met. In carrying out the joke it was suggested that the ceremony be immediately performed—the preacher residing near by. They went to the house of the minister to consummate the joke, found the reverend gentleman in bed, and the bride and groom performed in the spirit of a joke, and paid the fee in a joke; but the best part of the joke is they have since learned that the marriage was legally performed, and is binding upon the parties engaged therein. It is supposed the parties, who are both respectable, will mend matters by eventually assuming in earnest what was intended as a jest, the true relationship of man and wife. The gentleman is named Doane, a resident of New York State, and the lady is a Miss Wheeler. This is a warning to folks who are fond of jesting, and especially in affairs of such deep moment as the ceremony of marriage.

## REPORTED FOR THE DAILY GAZETTE.

BY WISCONSIN STATE TELEGRAPH LINE, Office in Palace Passenger Depot.

**NEW YORK, Jan. 17.**  
E. Kerrigan, M. C. elect, from the district of New York has been summoned as a witness before the U. S. court. He will be remembered advertised some time since for men to form a military organization for some unknown object.

It is announced this P. M. that the Bank of the Republic, under instructions of the Gov. of N. C., will pay the interest on all the bonds of the state without regard to the late frauds on the treasury department.

The Commercial Washington despatch says the senate committee on commerce by a vote of 5 to 4, has decided to report Mr. McIntyre's nomination for collector of Charleston, to the senate.

The President to-day sent to the senate the name of Mr. Holt as secretary of war. The Post's despatch says Lord Lyons and Mr. Seydlitz, the Bernese consul, and other members of the diplomatic corps have requested Secretary Black to furnish official information to the people for ratification.

The U. S. will recognize the clearance of vessels which may be issued by the state authority of S. C., and also whether foreign vessels could properly pay duties to S. C. officers.

Mr. Black's answer has not transpired. It is understood to have been in the negative in reply to both questions. He states that vessels entering seceding ports and paying duties ignorantly, would have more influence than others.

The vote in the senate yesterday on the Crittenden proposition was undoubtedly telegraphed south by the secessionists. Many bids have been offered for the five million loan and they will be opened Saturday. The bulk of the loan will probably be taken at 8 per cent.

**ST. LOUIS, Jan. 16.**  
The convention bill passed the senate last night by a vote of 31 to 2. The bill leaves it to the voters to decide at the time of electing the delegates, whether the ordinance of secession, if passed, shall be submitted to the people for ratification. The election of delegates to be held February 18th, and the convention to meet on the 28th.

A boiler exploded in the Davis mills, in the northern part of Ray county, last Wednesday, killing seven persons and seriously injuring another.

**MEMPHIS, Jan. 16.**  
The Arkansas legislature has unanimously passed a bill submitting the convention question to the people on the 18th of February. The majority favors the holding of a convention the governor will appoint the day of its meeting.

**READING, Pa. Jan. 17.**  
A large meeting of working men collected at the court house this evening, at an hour appointed for the purpose of holding a union meeting. Hundreds had collected and blocked up the streets. The city commissioner refused to open the building. There was some excitement, and threats were made to break open the door, but the crowd finally adjourned, cheering the working men of Kentucky and the working men of Berks.

**WASHINGTON, Jan. 17.**  
The president to-day sent to the senate the nomination of Mr. Holt for secretary of war. It was considered in executive session and from all accounts the discussion was of an exciting character. An effort was made by its opponents to refer it to the committee on military affairs, but this was strenuously and successfully resisted by the motion of reference being defeated by a vote of 34 against 13. The objection to Holt by his opponents is that he is in their opinion, a corporationist, and this sort of loose opening. His confirmation is now considered certain. The matter is specially assigned to the order of to-morrow.

The nomination of Mr. McIntyre as collector in the neighborhood of Charleston is still suspended in the committee on commerce.

It was incorrectly stated in the senate report that Mr. Latham, of California, moved the indefinite postponement of the passage of a bill. The motion was made by another senator.

The Alabama senators to-day were notified by telegram from the president of the convention not to leave their seats, until they are further informed. The trouble is in the refusal of the delegates from northern Alabama to sign the ordinance, unless the time for secession is postponed till the 4th of March.

In the deficiency bill for appropriating \$350,000 for carrying the mails from New York to San Francisco the name of Cornelius Vanderbilt was struck out, senator Latham insisting on the recognition of services rendered by the Panama company and the Pacific Mail Steam Ship company.

Hon. Mr. Aiken of S. C. has been forced to contribute \$40,000 to the revolutionary government, under threats of confiscating his property in case of refusal.

**NEW YORK, Jan. 18.**  
The militia of New Jersey are taking measures to place their brigades on foot footing.

The Times states, on the authority of a letter from an officer from Ft. Sumpter, that Maj. Anderson heard the day before his arrival that the Star of the West had left New York with reinforcements for him, and that he gave orders not to fire upon the batteries, because he was anxious to avoid collision.

Mr. Tribune has positive information that it is the intention of the rebel leaders at Charleston to attack Fort Sumpter as soon as their envoys return from Washington.

The recent charge of Judge Smalley of treason has driven several southerners from this city.

**WASHINGTON, Jan. 18th.**  
Gen. Thorn, agent of Alabama, for the purchase of fire arms, departed so hastily on Wednesday, that he neglected to complete his contract.

Every foreign government represented here is distinctly opposed to secession schemes, and will make their views public when the occasion occurs.

It had been forwarded to Gen. Scott from Baltimore, that 2000 young men are fully organized, and ready to come on from that city at the earliest notice to assist in defence of the District and the federal capital. The commissioner himself commends the proposition of the company to Gen. Scott.

The following is the substance of the order transmitted to the commander of the Brooklyn, previous to her recent trip:—"You are to proceed direct to Charleston harbor, come to anchor, but lay under steam outside, and ascertain if the Star of the West has landed her troops—countermand her orders, and order her with the troops to Hampton Roads; and also gain any information as to the existing state of things there; and then return to Hampton Roads."

**HAYDEN, N. H., Jan. 17.**  
The democratic convention for the 3d district to-day nominated Wm. Burns, of Lancaster, for congress.

**NONFOLK, Va., Jan. 18.**  
The schoolers Allen, of New Haven,

and Pauline of Newbern, N. C., were seized to-day for violations of the Virginia inspection laws, and are in charge of the city sergeant.

Chapman of the U. S. ship of war Brooklyn, has again tendered his resignation.—He goes south to-morrow.

The Courier has despatch from New Orleans, dated 16th, which states that the troops who took Baton Rouge are returned and received a grand reception. The arsenal and Fort Pike are now occupied by Louisiana troops. The action of Gov. Moore in relation to the occupancy of the forts was viewed there as a peaceful measure, and generally sustained as patriotic and timely.

St. Louis, Jan. 18.  
In the house, yesterday, Mr. Stevenson's substitute to the convention bill, asking congress to call a national convention, was lost 109 against 12. Mr. Lacey's amendment to the original bill, submitting the action of the convention to the people, was then adopted, and the bill passed—yeas 105 nays 17. All the republican delegation from St. Louis, except one, voting in the negative.

The reported seizure of a large quantity of powder, by the authorities of Louisiana, at New Orleans, belonging to a St. Louis merchant, is untrue. The powder has not reached that port. It is understood that the government of Louisiana has proposed to purchase the powder on its arrival at New Orleans.

It has been a source of great anxiety and trouble to properly secure the tapes of Skirt Stitches to the looms, and very many ladies have been disappointed in the purchase of Skirt Stitches, as the tapes were not secured by the usual thread and needle process was first tried, and it was found that the tapes of the Skirt Stitches, in putting too few stitches and not inserting the tapes with the correct motion, the tapes would slip on the looms, and as many have experienced, would very frequently break, and in some cases, causing great annoyance and sometimes danger to the weaver.

**Our Patent Stitch**

**League Meeting.**  
The Milton League will meet at Milton on the last Tuesday of January, 1861. All the members are requested to be present, as business of importance will come up.  
Jan 18d/61  
A COMPLIMENT.—The Rockford Democrat pays the following compliment to our new year's address:  
"Typography.—About as handsome a specimen of fancy as well as neat printing as we have seen for a long time, was the 'Carriers' Address' issued from the office of the Janesville Gazette. It was a nice thing, and reflects great credit upon the workmen in the Gazette office."  
"As another instance of the favor with which our job work is received, we may mention that certificates of membership in the Band of Hope printed by us have been ordered in several different places in the state, in preference to those furnished by the New York League, which were printed in New York city. We feel a justifiable pride in the facilities of our office for doing work, and the manner in which it is executed."  
TRANSFER OF STOCK.—We are requested to state that parties holding stock in the M. & M. R. Co. and who desire to exchange it for stock in the new organization, in accordance with the plan proposed, may do so by endorsing their certificates in blank, on the back, and forwarding them without delay to Wm. Taintor of Milwaukee, Wis. This information comes in a letter from Mr. Taintor to a former director of the road, who states that he does not know how long the arrangement will be kept open.  
CITY TAX LAW.—The following is the law just passed by the legislature in relation to taxes in this city:  
[Published Jan. 17, 1861.]  
AN ACT to enable the Treasurer of the City of Janesville, to apply to the Circuit Court, for judgment, for the sale of land for taxes of 1860.  
The people of the State of Wisconsin, represented in Senate and Assembly do enact as follows:  
Section 1. The treasurer of the city of Janesville is hereby authorized to apply to the circuit court of Rock county, at the January term thereof, to wit, on the twelfth day of February, A. D. 1861, for judgment against the lands, lots and parcels of land, upon the report filed by the said treasurer, in the office of the clerk of the said court, on the fifth day of January, A. D. 1861, of the said lands, lots and parcels of land, upon which the city taxes of the city of Janesville were not paid for the year A. D. 1860; and it shall be the duty of the circuit court of Rock county, on the said 12th day of February, or as soon thereafter as counsel can be heard to hear and determine upon the said application, as provided by the charter of said city, the same as though the said application for judgment had been regularly made in all respects.  
Sec. 2. It shall be the duty of the said treasurer to give public notice of said application at least ten days before the said 12th day of February, briefly specifying the nature of the taxes and assessments in said report, which notice shall be published in some daily or weekly newspaper published in said city of Janesville; and the said notice shall have the same legal force as though the said application had been regularly made in all respects; under the provisions of the charter of said city.  
Sec. 3. This act shall be published immediately and be in force as soon as published.  
Approved January 17, 1861.  
LAST NIGHT.—Lappin's Hall was well filled last night to hear Baker & Craven's troupe of minstrels, and the audience retired well pleased with the entertainment. A leakage in the gas pipe, which has since been repaired, occasioned considerable discomfort to the performers, and prevented, as all untoward circumstances do, as successful an exhibition as would otherwise have been given. To-night a new programme has been arranged, closing with "Dixie's Land." This company possess a great deal of merit in their peculiar line of performance, and their entertainments are well worth attending.  
Carl Schurz arrived at Madison yesterday.  
Henry S. Lane, recently elected governor of Indiana, has been elected U. S. senator in place of Mr. Fitch.  
There has been quite an advance on the price of hogs within a week. The Chicago Tribune says: "Since the 6th inst., hogs, both live and dressed, have advanced about 60c per hundred lbs.—\$6.12 at 60, 15 being paid in this market yesterday for heavy dressed, and \$6.26 at 40 for live." Within the same period, mess pork has advanced 75c per bbl.—sales being made yesterday at \$15.75 at 16, 00.  
The Band of Hope will meet at the lecture room of the Baptist church, tomorrow morning at 9 o'clock.  
CUSHMAN'S CONCERT.—Le Grand B. Cushman, the American Vocalist, will give one of his entertaining concerts on Monday evening next, at Lappin's Hall, in this city. Mr. Cushman has an extended reputation as a humorist and his readings, burlesques, comicities and mimicry, produce an immense amount of fun, wherever witnessed. We have the best evidence that his representations have been entirely successful in Milwaukee, Racine, Oshkosh, and various other places where his concerts have been held, and we cordially commend him to the patronage of our citizens. The net proceeds of these concert, soirees, after paying expenses, are to be devoted to the aid of the unfortunate people of Kansas. We are well convinced, from evidences we have seen, that there is no deception about this. Receipts from Mr. Army and the Express company of money and clothing forwarded to Kansas, are exhibited by the agent. In view the noble and philanthropic object of Mr. Cushman, as well as the entertaining character of his concert, we hope the people of Janesville will give him a full house.  
There is a heavy fall of snow interfering, somewhat, with travelling.  
CITY BONDS.—The suit of Clark vs City of Janesville, in which the validity of our City railroad bonds is to be tried, was argued in the supreme court on the 17th by Geo. B. Ely for appellants and by J. A. Sleeper for respondents.
